Purpose of Change:

Manufacturing (bump) site transfer

Description of Change:

1. This is a notification to advise our customers that pSemi is transferring PE42540 bump site to UAT (Unisem Advanced Technologies) from FCI (Flip Chip International). There will be no change in form, fit and function of this product.

During the transition from current site to new bump site, pSemi will continue to support customer shipments with inventory built at either facility and does not anticipate any impact on the product availability.

2. Ordering code changes:
 Original ordering codes (FCI): PE42540F-Z; EK42540-07
 New ordering codes (UAT): PE42540G-Z; EK42540-08

pSemi manages inventory on a First-In First-Out (FIFO) basis. For the exact timing of the order code change, please contact your account rep. or accountrep@psemi.com.
