

## **Product/Process Change (PCN) Notification**

PCN Number: CO-24300	Contact: Elizabeth La Greca	
Date Issued: Aug 16th, 2019	Title: Director, Sales Operations	
PCN Effective Date: Nov 16th, 2019	Phone: 1-858-795-0106	
Product(s) Affected: PE42722	Email: pcn@psemi.com	
Sample Availability: Aug 16th, 2019		
Change Control Board Approval #: CO-24300		
Change Category:		
	☐ Shipping/Labeling	
☐ Design/Mask Change	☐ Equipment	
☐ Singulation Process	☐ Material	
Assembly Process	☐ Product Specification	
☐ Electrical Test	☐ Product End of Life	
☐ Manufacturing Site	Other - Ordering codes change	
Purpose of Change:		
To enable MagnaChip and Lapis as dual source wafe	r fabrication sites	
Description of Change:		
Description of Change:  Wafer fab transfer to Lapis as MagnaChip closed the end of 2015. To ensure continuity of supply, pSemi MagnaChip fab to Lapis fab in Japan. Lapis is a quali	nas been working to transfer products from
